TELL US ABOUT YOUR LOVED ONE

Share your memories of the special person taking their final journey, their favourite flowers and colours.

TELL US ABOUT THE SERVICE

Where and when is the service? Is it a natural burial? Would you like to take the flowers home at the end or share them with family members?

WE GROW AND SOURCE THE BEST SEASONAL FLOWERS

Flowers will be arranged in a natural style using sustainable & eco friendly methods.

Bumble and Iris

FLOWERS

Beautiful, seasonal & sustainable funeral flowers

We can provide beautiful and natural farewell flowers for funerals in a range of arrangement size using the best of homegrown and British flowers. Working with you to understand the person taking their final journey we aim to create a tribute which truly fits that person and your memories of them.

Using fresh seasonal flowers, with scent, shape and colour that is important or familiar to family members leads to farewell arrangements which people can feel connected to.

"You really did an amazing job Emma. Anne would have absolutely adored the arrangements, a wonderful tribute to her. Thank you so much for organising everything to do with the flowers, will definitely recommend you."

"Words aren't enough to say thank you for the beautiful funeral flowers, you surpassed our expectations, and added the perfect touch to the day. Thank you so much"

"The flowers were absolutely perfect Emma, just so beautiful. June would have loved them. As someone at the funeral said it was like she was taking a bit of her much loved garden with her."
